Coleman's London Mustard.

The attempt of Drapers and Chemists to

make it equal to the superior quality and less price

of the above Mustard, manufactured by Messrs. J. & J. Colemans, of London, has hitherto been a failure.

Four different qualities are manufactured, which are packed in small boxes, full of Mustard, and every package is warranted full weight. The 4, 6, and 10 lb. boxes contain a corresponding quantity of Mustard, and are well suited for domestic use, and those who like strong flavor in a large strength.

STAR AND ADAMINTINE

CANDLES.

THESE CANDLES are the best and most durable of their kind, and are made of the finest waxes, four sizes, and seven colors.

ALL WARRANTED FIVE WEIGHT.

Candles will now have a large variety to choose from.

These Candles are made to order, that are the best.

They are now ready to be had.

ADAMINTINE CANDLES.

These Candles are really seven to the pound,

and are made of the best waxes, and a difference

of one-half pound in the price is not proportionate to the difference, as the following statement shows.

A Box of Sevenos contains 247 Candles, and is sold for \$3.50 pounds, which is the actual weight.

A Box of 14-oz., or "Short Weight Sixes," contains only 240 Candles, and same size AS SEVENS, and is sold for 40-pounds.

Now, we can furnish you with 20-oz. candles, and the same 18-wicks, there will be a difference of twenty-five per cent. in the price of Candles in this box, so that you will get more for your money, and the 20-oz. will be proportionate for each box.

This is the only candle you can have for money.
